CHILDREN’S CORNER STATEMENT OF PHILOSOPHY-2016

Children's Corner recognizes the importance of play in the learning process for young children. Play is the basis for learning in our programs. Children's Corner works to empower children, promote individuality, and develop strong partnerships with families while creating an environment that helps young children attain physical, cognitive, social, and emotional achievements, preparing them for the next step in life.

Each child brings to Children's Corner a history of life experience and cultural heritage. Partnerships between families and Children's Corner are essential to the growth and development of the individual child. We strive to create and promote these strong partnerships with families and create a sense of community that is thoughtful, warm and compassionate.
