FIND & COMPARE COLLEGES
- Discover new colleges by seeing where students like you enroll
- Use Parchment’s Simulator for admission predictions
- Learn more about colleges and their applicants on the college-specific pages

SEE HOW YOU STACK UP:
- Complete your profile and add colleges to your list to get data-driven Parchment predictions
- Predictions are based on statistical models from the results of students who have voluntarily added their admissions data in the past
- Scatterplots and analytics on each college page give data about how you compare to past applicants
- Predictions are probabilities. If you are given a 10% change and you applied to a college 100 times, you should be accepted 10 of those times.

If you want to attend a college, you should always apply.

Predictions are only meant to be a guide. The only way to guarantee you will not get into a college is to not apply.
