2. One form is needed for each scholarship you apply for.
   Note: You may wish to fill everything out on one form except for the scholarship name, make copies for as many scholarships you are applying to, and then add the scholarship name on each copy. (This will save you a lot of time writing or typing.) One application is included in this booklet for you to take. You are responsible for making your own copies for each additional application.

3. Check over your forms to be sure they are accurate, neat, and completely filled out.

4. Make sure you put your correct cumulative G.P.A. (NOT YOUR SEMESTER GPA). If you are not sure what it is, ask!

5. Your scholarship applications need to be turned in to the Counseling Office. There are scholarship mailboxes in the Counseling Office with the scholarship names labeled alphabetically. It is your responsibility to put your application(s) in the appropriate mailboxes. Staple your paperwork together (no paperclips!) Do not put applications in envelopes.
