Notes from the Director

Footloose, is one of the most explosive and challenging musical in the ten year run at GHS. The high-energy music and choreography carry the production beginning with the eight-minute opener, to the “face off” at the end of Act 1, ending the show with the strong “Footloose Finale.”

Hats off to Joel, Dee and Susan for the outstanding music and detail-choreography. Each song is dynamic and powerful adding to the emotion of the production. You will discover, the music tells the story.

Thanks also to Chris for the magic he works bringing the lights, sound and set to match the rhythm and pulse of the show. To our wonderful behind the scene people Lori, Linda and Cheryl without whom, none of this would happen and all the parents for helping out in many areas. It does take a village to put on a musical.

It has been my privilege to work with this outstanding staff and group of teenagers. We have all been stretched and challenged these last eight weeks of rehearsal with singing, dancing, acting, costume changes, makeup and music, music, music. I hope Footloose helps our cast, crew and you our audience discover once again that we all have the struggle to break loose and find that freedom in our soul. Footloose is a celebration. The celebration of listening and learning from young people as we, the adults, seek to guide them with a warm heart and an open mind.
